

A frame Artwork Specs

620 x 920mm Print File
(including Bleed)

The background colour or image must continue into the "Bleed" area to avoid a white border if a slight registration error occurs.

580 x 780mm
Internal Margin

600 x 900mm Cut Line

Your artwork needs to be supplied following these specs to print correctly.

This includes 10mm bleed on all sides.

To ensure no information is lost, please keep all important information inside the specified trim area. (20mm internal margin)

allsigns print & design do not correct, modify or proof read your artwork. All files are printed as supplied to us.

allsigns print & design can not accept responsibility for errors due to files that do not meet these specifications.
