

# 3D Reception signage

make a lasting *first impression*

# Make it STAND OUT

*the options are endless*

An acrylic panel allows for various types of effects such as dimensional lettering and frosting as well as vinyl graphics on the front or back surface.

3D cut out letters  
2pac painted

Sparkle frosting applied  
to the back of acrylic.

Digital print applied to  
the back of acrylic.

3D clear acrylic letters  
Red Vinyl applied to front  
of letters

Digital print applied to  
the front of the acrylic.

Digital print onto frosting.  
Applied to front of the acrylic.

20mm stand off  
wall mounts.

Polished bevelled edge.

sophisticated **polished finishes** mounted off the wall

3D letters and logo's that are backlit with LED lighting are an affordable way to add a 'wow' factor.

# it's all about QUALITY & FIRST IMPRESSIONS

You never get a second chance to make a first impression.

Reception and foyer signage is often the first point of contact someone has with your business. Making a bold first impression on your customers not only reinforces your brand, products, services and place of business it creates a professional look and feel. This in turn makes your customers feel welcome to your company.
